

JOEL RIGGING STAGE SET X ROPE

Stage Rope

The innovative parallel fiber core of Stage Set X creates a highly round, solid rope that doesn't stretch, making it ideal for counterweight systems.

This rope is easy to handle with the spun fiber cover.

Core
Parallel Fiber

Cover
Polyester

FEATURES

- **Material:** Polyester
- **Temperature:** Polyester melts at 480° F
- **Stretch:** 1.95% @ 20% of tensile
- Coloured fleck assists with assessment of rope wear
- Available in Black
