

# JOEL RIGGING YO-YO HOIST

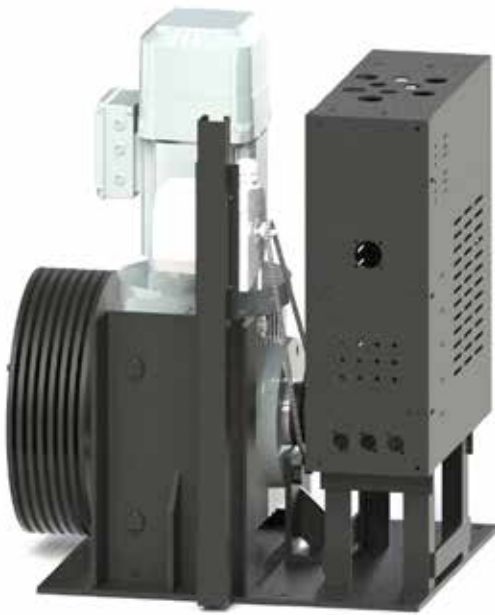

## Motorized Hoist

JOEL Rigging's Yo-Yo hoist offers variable mounting styles, including floor, wall, or ceiling mounting.

Heavy duty and durable welded steel frame and mounting bracket, with machined plates to ensure adequate rope stacking.

These pile-on hoists include a primary brake with inherently self-locking gear box design, optional with a secondary brake that is installed on a common shaft with the drum.

Suitable for utility theatrical applications, lighting battens, drapery sets.

The Standard configuration comes with:

## FEATURES

- Available in 1,200 and 2,400 lbs loading capacity
- Available with up to 10 lift lines
- Versatile operation on 208, 230, 460 or 600 VAC 3 phase power
- Average Speed 25 FPM
- 1/4" Wire Rope Size
